HUPAC

Cambria Williams, our local HUPAC Chair, says State and local chapters contributed as well as members and as chapters: 20% of all members contributed at the \$12/Month or higher amount. Northern Nevada made a contribution at the National Convention to HUPAC in the amount of \$500. It was these numbers that helped NNAHU win the Cannon Trophy back from CCAHU!

Events

Northern Nevada represented at Annual Convention in Austin, TX with 9. At Capitol Conference in February, we had a total of 5 members from the Northern Nevada area attend virtually and in person and meet with representatives either by Zoom and in person.

In September of 2021 NNAHU held a 2-day event billed as the Annual Convention. The event combined our Annual Expo and our 1st ever Medicare Summit. It was attended by 85 brokers and we gained 3 new members as a result.

In May of 2022 we held our Annual Expo at the Atlantis Casino. It was well attended by 92 agents and carriers. It was also mentioned that it was one of the best Expos put together.

In August of 2021, NNAHU enjoyed a game together at the Aces Ballpark for a night of fun and getting together with one another.

Awards

Through the tireless work of our Vice President of Awards, Jay Eldridge, our association earned Gold Chapter Certification as well as the Blue Ribbon of Excellence Award. We also earned the Pacesetter Award that is awarded to chapters who follow a specific criteria and shows just how much we are working to make our chapter a very functioning chapter.

Every year the President of NNAHU awards the Stuart Michell Award to the most outstanding NNAHU member that went above and beyond in their duties. It is our high honor to be able to give out this award to the most deserving member. Because of Covid, we delayed giving out the 2021 award. Below is our two award recipients.

2021- Aliana Rushing

2022- Donald Goldmann

ByLaws and Policies and Procedures

At the 2022 NNAHU Expo, the local association approved a change to the by-laws that govern our chapter. With the direction of Donald Goldmann, past NAHU president, we were able to solidify things where before there was confusion. Through the efforts of the by-laws committee we were able to strengthen our Association with additional P & P procedures so that future boards will have a template to follow.

This past year has been very successful for NNAHU. I look forward to working with next year's Board of Directors and Officers.

Let's all keep up the good work.

Immediate Past President Jason Casey
